

## **Installation Guide for Barricade Front & Rear Floor Liners (07-17 Wrangler JK 4-Door)**

**Installation Time:** 15 Minutes

**Tools Required:**

- ✓ No tools required

**Installation Instructions:**

1. Remove existing floor mats if there are any currently installed in your Jeep.

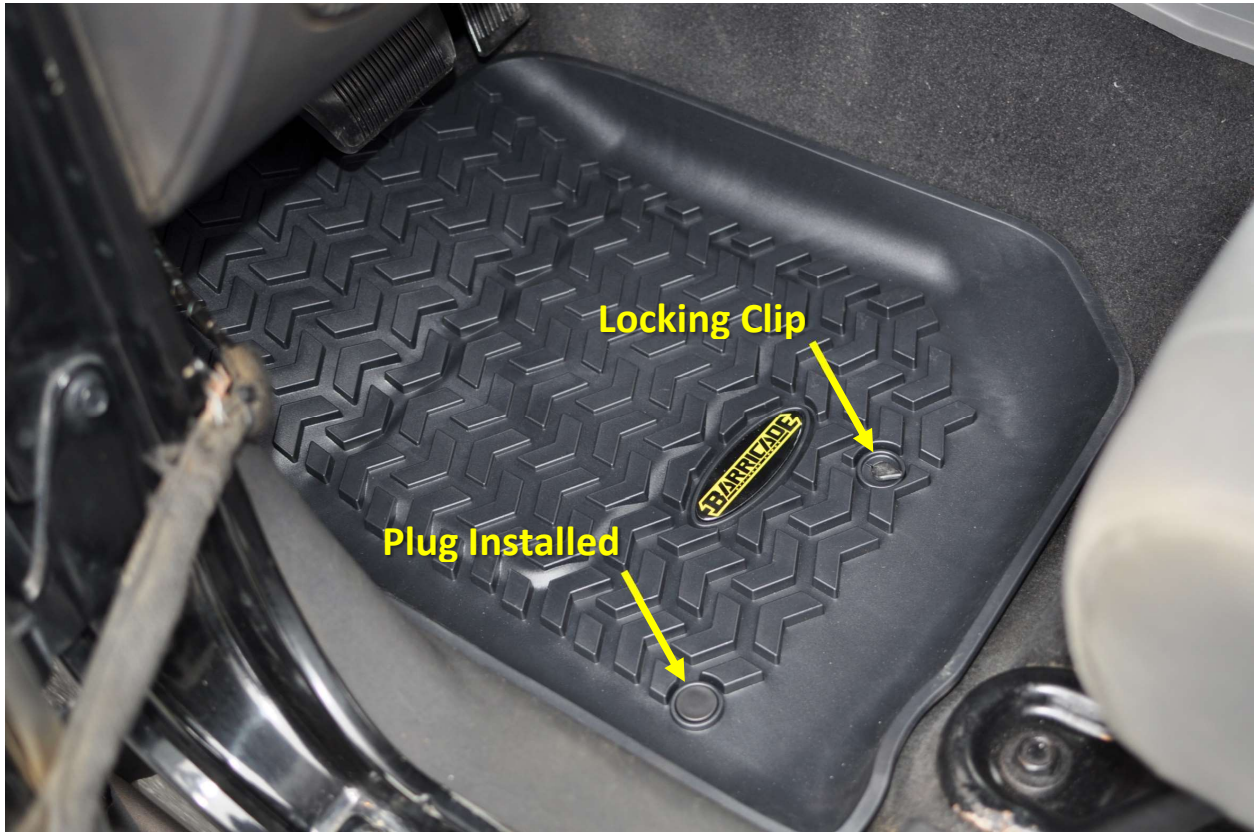

2. On the new Barricade front driver & passenger liners, determine which holes will engage the plastic clips on the floor of your Jeep and insert the included plugs into the unneeded holes.

3. Install the front liners and lock them in place with the clips on the floor of your Jeep

Driver Side Installed:

Passenger Side Installed:

4. Install the rear liner (note: there are no plugs or clips for the rear liner)
