

## Dirty Dog 4x4 Pet Divider - Mounts Behind Front Seats - Black

### Installation Guide for Jeep Wrangler '07-'16 2-Door JK

**Installation Time:** <1 Hour

**Tools Required:**

- ✓ Box Cutter/Knife

**Installation Instructions:**

1. Carefully open the package using a box cutter or knife (Figure A) and ensure the netting is included and undamaged.

Figure A

2. In order to install the netting, it may be easiest to remove the two freedom panels if using a hardtop (Figure B).

Figure B

3. Ensure the Dirty Dog logo is facing the front of the vehicle. Slide the top facing straps over the top roll bar on each side (Figure C).

Figure C

4. Run the straps through the ladderlock sewn into the netting on both sides (Figure D).

Figure D

5. Run the side-facing top straps over the top of the roll bar and connect them along the sides using the cam buckles (Figure E).

Figure E

6. Pull the front seats forward to provide access to the front seat brackets (Figure F).

Figure F

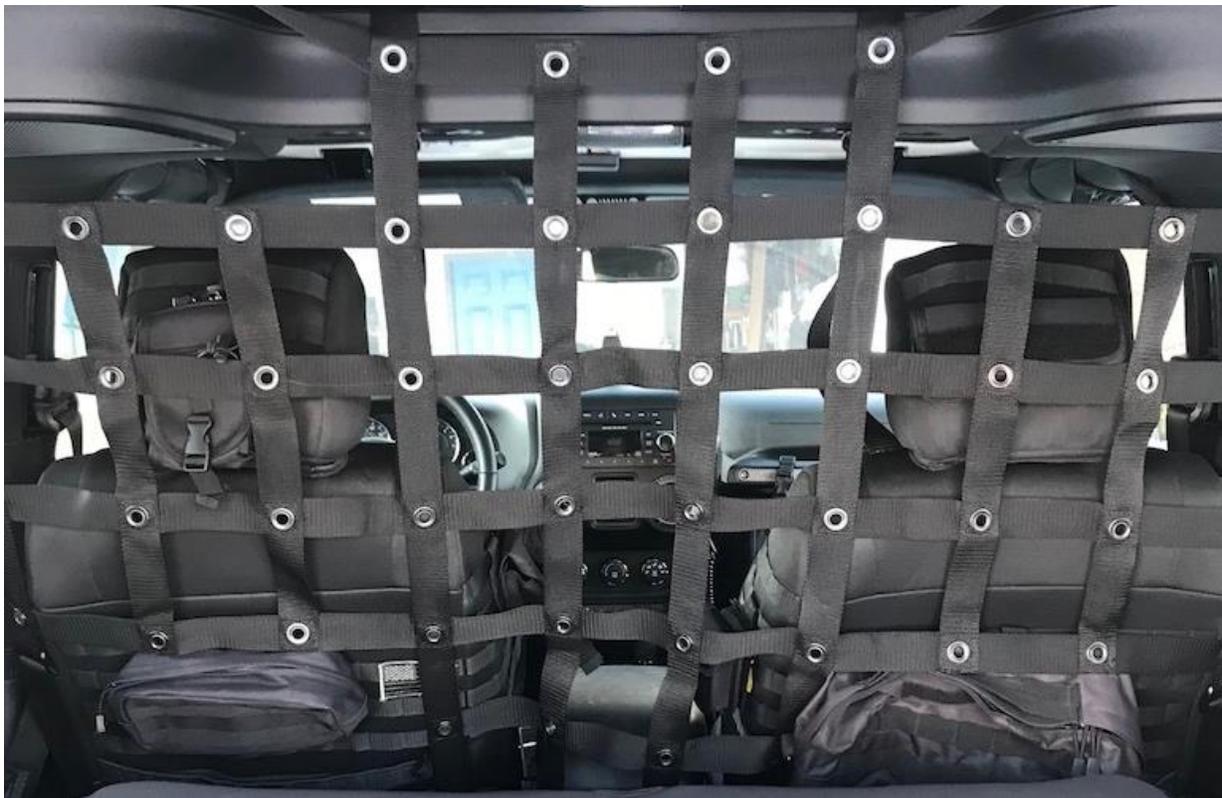

7. Run the lengthy bottom straps through the underneath side of each seat bracket and connect into the lower cam buckle on each end of the netting corners (Figure G).
