

Rugged Ridge Composite Overhead Storage Console - Black (87-17 Wrangler YJ, TJ & JK) Installation Guide

Installation Time: 30 Minutes

Tools Required:

✓ None

Installation Instructions:

1. Position mounting bracket above the mounting holes on the storage console and using two M8 bolts, washers, and nuts, attach the bracket to the console.

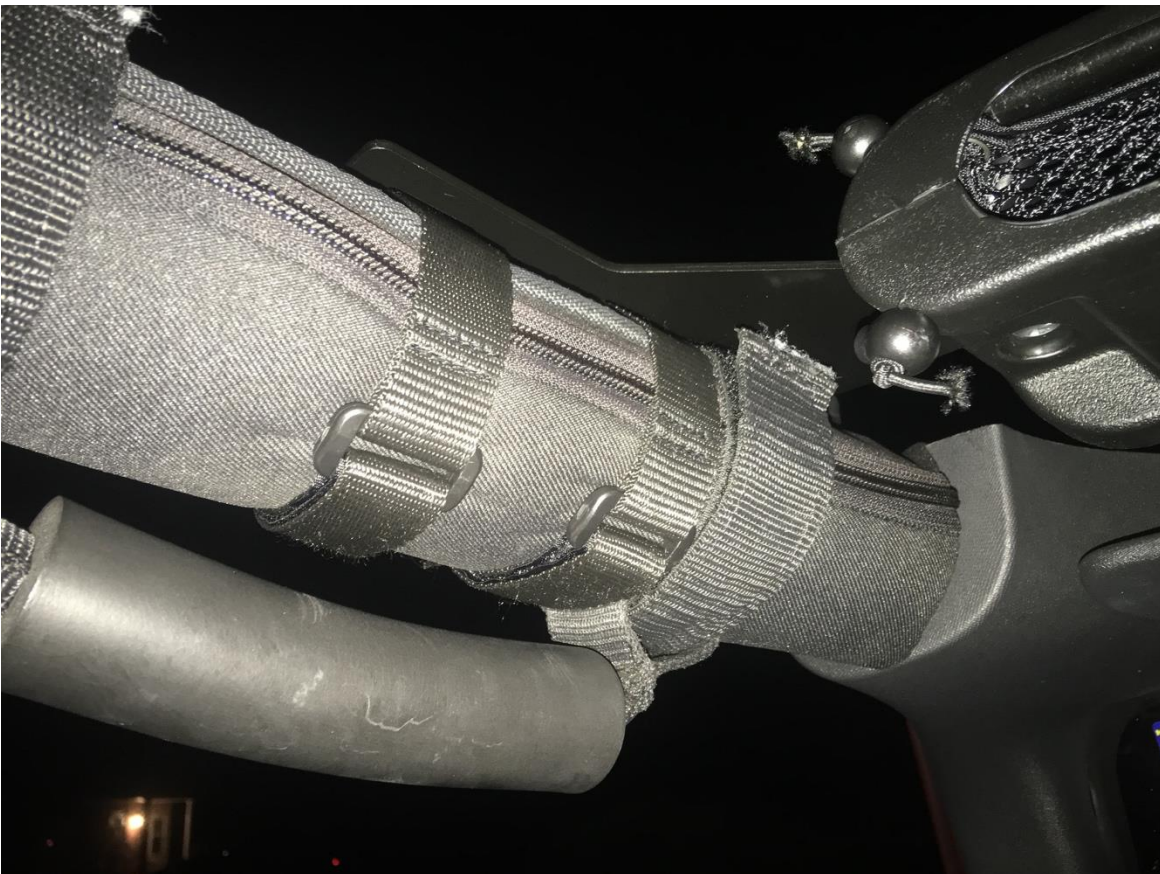

2. Repeat step 1 for the opposite side.

3. Place the storage console on the Jeep so that the mounting brackets are on the roll bar. Attach the long Velcro straps to the mounting bracket and attach them tightly to the roll bar.

4. Repeat step 3 for the opposite side.

5. Take the short Velcro strap and attach it to the slot in the rear of the storage console and attach it around the metal loop of the windshield.

6. Finished.
