

REDROCK^{4x4}

******Before beginning, be sure the grille area is clean and free of any grease, dirt, or dust******

Step 1:

Using the supplied alcohol prep pads, thoroughly wipe down the area of the grille where the surrounds will adhere.

Step 2:

Peel the backing from the 3M tape on the grille surround and install in the center grille opening. Align the surround so it is just under the “Jeep” emblem as shown, but not touching.

Installation Instructions for Red Rock 4x4 Grille Surrounds (07-14 Wrangler JK)

J100729 – Matte Black

J100730 - Chrome

Step 3:

Install the remaining six surrounds using the center surround as a guide. Be sure they are all aligned before pressing down to fully seat the adhesive tape.
