TB025

Product:	TJM Torq Electric Winch
Vehicle:	
Part No.	947TJMTQ12D, 947TJMTQ95D & 947TJMTQ95S

For the Installer of the TJM Torq Electric Winch:

A Warning sticker has been applied to the front of the Wireless remote controller.

Please instruct and inform the end user of the TJM Torq Electric Winch that to prevent accidental operation of the winch by the wireless remote controller, the installed Kill Switch **MUST** be turned **off** when the winch is not in use.

For further information contact T.J.M. Head Office on (07) 3865 9999. Distributors Australia wide.
