Contents:

- (1) - Left Front
- (1) - Right Front
- (1) - Left Rear
- (1) - Right Rear

2

Test fit the Entry Guards to familiarize yourself with how they fit. then remove the 3M tape backing.

1

Wash the Door Sills with soap and water. Allow the sills and surrounding areas time to dry. **Recommended: Wipe the sills down with isopropyl alcohol to ensure the cleanest surface possible.

3

Install the Entry Guards on to the vehicle. Apply firm even pressure to ensure proper adhesion.
