

# REDROCK<sup>4x4</sup>

2007-2017 JK Wrangler

Treaded Console Cover - Black

2

Test fit the arm rest before peeling off the tape backing. Once you are comfortable with how the part should fit, peel off the tape backing.

Thoroughly clean the center armrest with a silicone free cleaner. Then wipe the armrest down with isopropyl alcohol to ensure the cleanest surface possible.

3

Install the Armrest Cushion, apply firm even pressure to ensure proper adhesion.
