

REDROCK^{4X4}

2011-2018 JK Wrangler

Phone/Cup Holder

Contents:

- (1) - Phone/Cup Holder
- (1) - Spacer

Tools Required

- Soft Pry Tool
- 8mm Socket
- Extension
- Ratchet

1

Begin by removing the trim panel from the grab handle. Use a soft pry tool to remove the panel from the dash. Next, remove the (2) 8mm bolts securing the handle to the dash.

2

Place the spacer over the passenger side of the grab handle. Note if the spacer doesn't fit well, flip it over. Place the phone/cup holder over the driver side of the grab handle.

3

Reinstall the grab handle using the factory 8mm screws. Reinstall the factory trim panel.
