(1) Console Cover

Neoprene Center Console Cover (07-17 JK)

Step 1\\

Begin by centering the cover over the front the arm rest.

Step 2\\

Pull the cover over the back of the arm rest. ****Note:** If the stitching is off center the cover will not fit correctly. Manipulate the cover so that the stitching runs parallel down each side of the arm rest.

Step 3\\

Complete the installation by stretching the cover over the arm rest and wrapping it around the back edge of the arm rest.
