Old Glory Door Handle Inserts (4-Door JK)

Contents:

- (2) - Left Side Door Handle Inserts
- (2) - Right Side Door Handle Inserts
- (1) - Tailgate Door Handle Insert
- (10) - Screws

Tools Required

- Drill & 1/4" Drill Bit
- Towel & Cleaning Solution
- Phillips Head Screw Driver

1

Begin by cleaning the door handles and tailgate door handle with a clean towel and cleaning solution.

2

Position the door handle insert in place, and carefully drill the (2) 1/4" holes into the factory door handle. ****Note: Do not drill all the way through. Only drill into the factory door handle about 1/4" of the way.**

3

Secure the door handle insert with (2) of the supplied screws. Repeat this process for the remaining door handles, and rear tailgate handle. Installation is now complete.
