

07-18 Wrangler Tailgate Hinge Overlay Installation Guide

Contents:

- (2) Large Hinge Covers
- (2) Small Hinge Covers

//Step 2:

Once hinges are clean, peel the film off the double sided tape and attach the insert to the vehicle. The hinge overlays are identified [A] (top) and [B] (bottom), marked on the inner side of each panel.

//Step 1:

Clean the tailgate hinges' surface prior to installation using alcohol wipes/isopropyl alcohol to ensure a secure bond.

//Step 3:

Press the overlays onto the vehicle, press firmly to ensure they are bonded to the hinge. Once all four are attached, installation is complete.
