

07-18 Wrangler Grille Inserts Installation Guide

Contents:
(7) Grille Inserts

//Step 2:

Once grille is clean, peel the film off the double sided tape and attach the insert to the vehicle. The grille inserts are directional, marked on the inner side of each insert marks the direction for installation.

//Step 1:

Clean the grille surface prior to installation using alcohol wipes/isopropyl alcohol to ensure a secure bond.

//Step 3:

Use same install procedure for all 7 grille inserts.
