

Front & Rear Floor Mat Set 18+ Jeep Wrangler JL

Contents:

- (2) - Front Floor Mats
- (1) - Rear Floor Mat

Tools Required:

Vacuum Cleaner

Front Install:

Begin by pulling up to release the factory floor mat from the locators. Remove floor mat. Vacuum any debris. Repeat on the opposite side.

Insert the new floor mat, and secure to the factory floor locators. Repeat on the opposite side.

Rear Install:

Begin by pulling up to release the factory floor mat from the locators. Remove floor mat. Vacuum any debris. Repeat on the opposite side.

Rear floor mat is one piece. Begin by inserting one side at a time. Secure the floor mat to the factory floor locators. Installation is now complete.
