

INSTRUCTION SHEET

FOR

Anti-Theft Door Lock Kit for Jeep Wranglers - 1975-95 and 1997-03

Introduction:

The Anti-theft Door Lock Kit is designed for ease of use in both preventing door removal, while still allowing owners the convenience to remove doors for off-road enjoyment.

Contents:

Qty. (2) Locking Posts

Qty. (2) Washers

Qty. (2) Pad Locks w/different key sets

Qty. (1) Instruction Sheet

Tools Required:

(1) Wrench or Pliers for removing existing door hinge nut.

Installation Procedure:

Simply remove existing door nut from door post, then install washer and locking post onto the door hinge post. Then insert padlock through the hole in the locking post and lock clasp in place. Repeat for other door.
